

# 1

**Prepare documents a), b), c) and possibly d), e) and f)**

- a) For minors age 7 and older, print and sign [BCM Registry Assent Form](#).
- b) Prepare an e-copy of your/your son's DNA test report.
- c) Prepare a document with your family data: total number of people affected by BCM in your family – dead and alive -, and number of alive people affected by BCM in your family . If you have a family pedigree prepare an e-copy of it. Prepare a narrative description of who in your family is affected: grandfather, father, son(s), brother(s), uncle(s), cousin(s), for as far back as you can be sure of this information.

If your doctor is not in this list:

S.G. Jacobson, A. Iannaccone, J. Carroll, M. Michaelides, E. Martina, A. Hutchinson , S. Marchese then:

- d) Prepare an e-copy of your/your son's clinical report.
- e) Print, sign and scan [UPenn Consent Form](#).
- f) For minors age 7 and older, print, sign and scan [UPenn Assent Form](#).
