

2022 BCM Families Meeting

CHARLOTTE, NC – October 1st 2022

Grant Application Form

BCMFF recognizes the importance for patients affected by Blue Cone Monochromacy (BCM) and for parents of affected children, to be able to meet in person with other people affected and to receive education about the disease, its diagnosis, management and cure.

BCM is a rare disease and it is also very important for the scientists working on the treatment to be able to discuss with a large number of patients, because only from this exchange a suitable treatment for this disease can result.

To enhance participation of families and individuals, BCMFF is able to offer a limited number of Grants covering cost of the hotel room during the meeting.

To apply, please fill this form and send it to info@bcmfamilies.org

1) Name and Surname

2) From: City State Country

3) Email Address:

4) How many people including you in your group:

5) If there are children under 10 who need childcare during the meeting, if yes how many and their date of birth:

6) Requests:

1 Hotel Room for 2 nights - 09/30 and 10/01. or 1 Hotel Room for 1 night - 09/30

Your request will be evaluated by the Board of Directors of the BCMFF within 2 weeks from your submission, and acceptance will be communicated at the email address #3.
